

As A Believer, I'll Be With God In Heaven

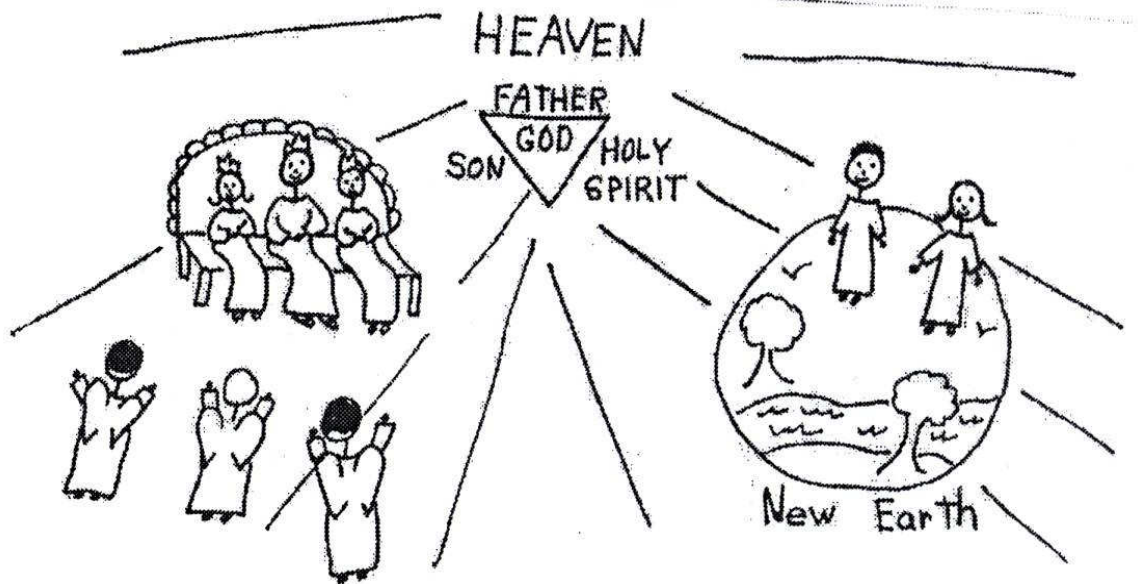

(Eternal Security, Part 2)

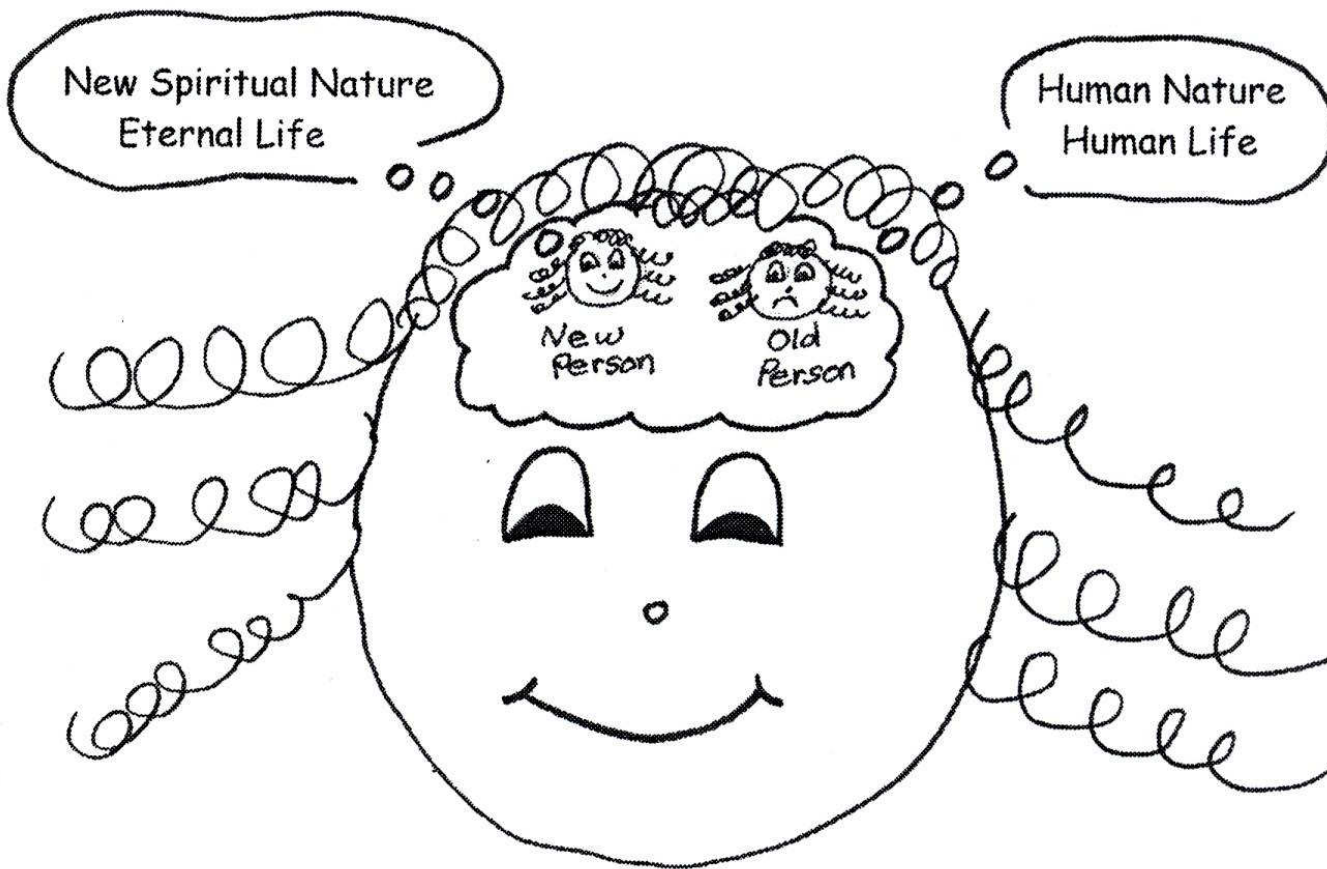

At salvation, when I believed in Jesus Christ as my Savior, I became a new spiritual person; I received a new spiritual nature! You can't see my new person. This is how it happened: the Holy Spirit put me in union with the Lord Jesus Christ; He put me in Jesus' family. I'm in God's family! There is no way I can get out of this family. I'll be in the Royal Family of God forever!

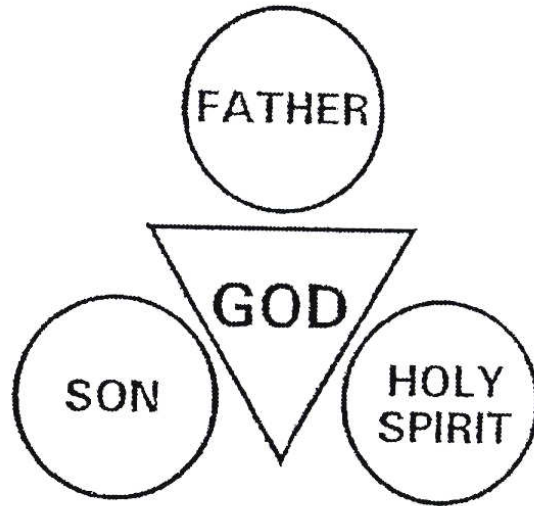

When I go to heaven, I'll be with Jesus. I can't do that now, but I can have a relaxed mind knowing I have a place waiting for me in heaven. There is plenty of room for everyone that believes in Jesus Christ as Savior!

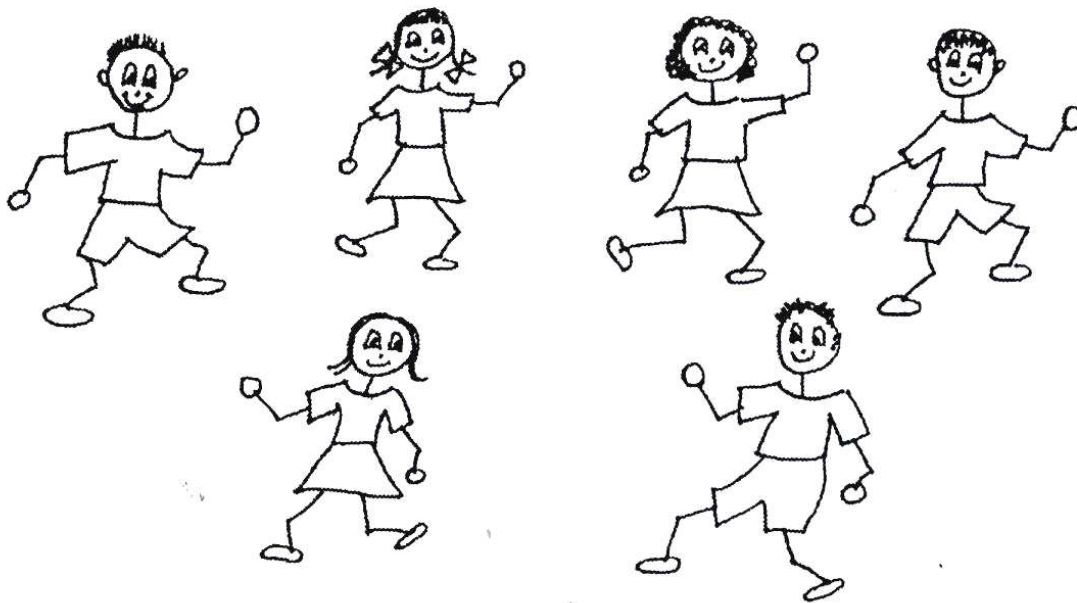

With this new spiritual nature I received God's eternal life! I will live with Him forever in heaven! While on earth I have my old sin nature and human life; and I have a new spiritual nature and eternal life! It is good for me to live my life in my new person. God will always be with me and help me. Awesome!

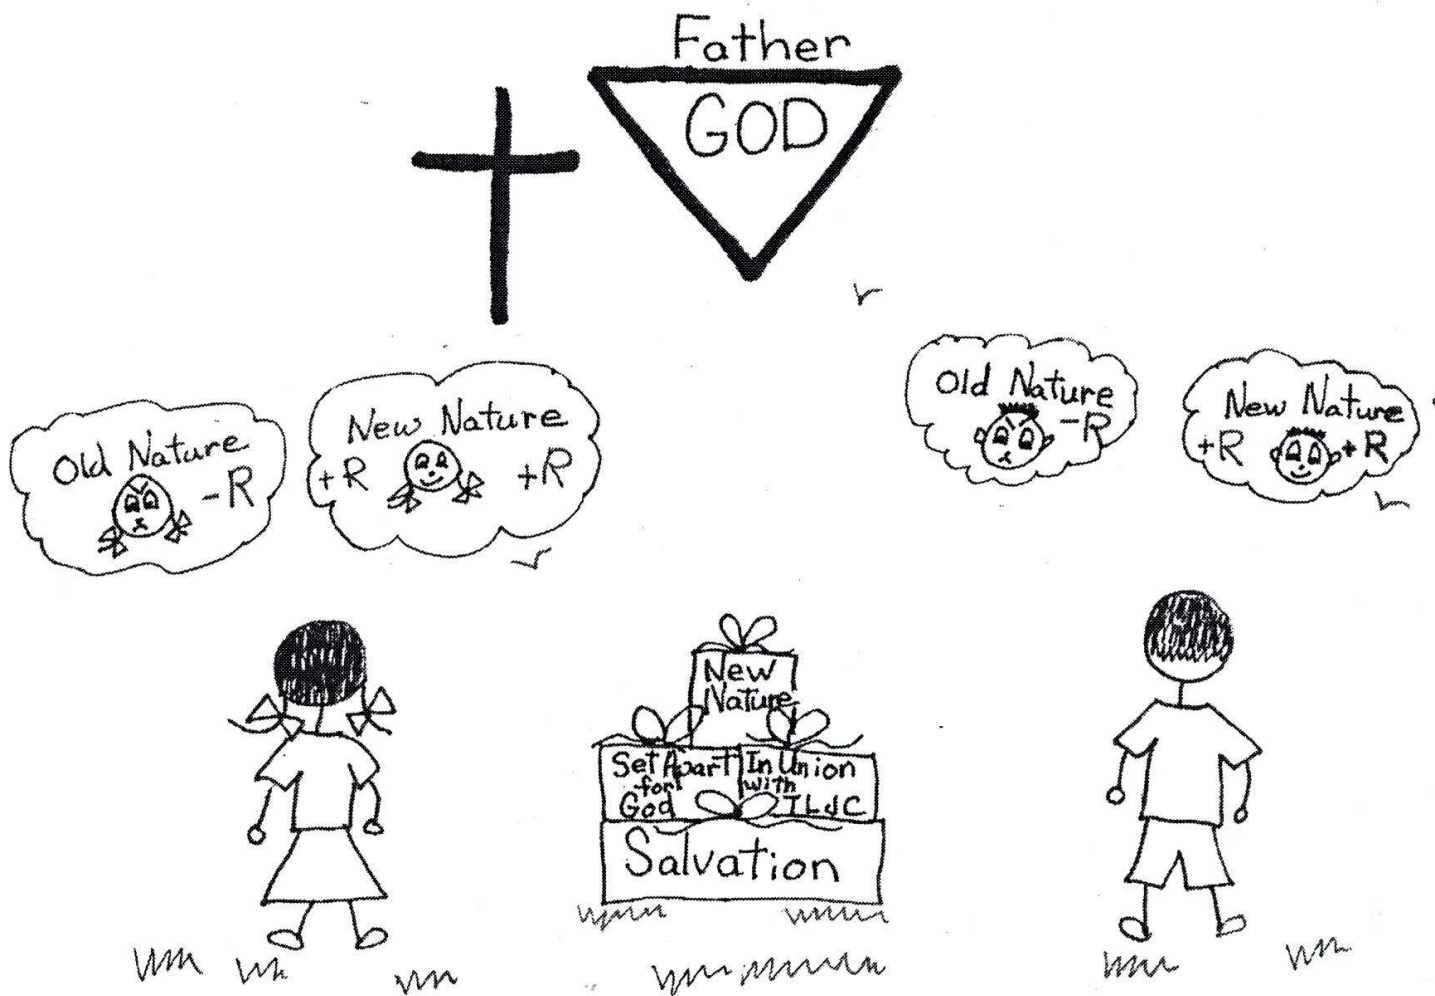

My old nature sins and is not honest. My new nature doesn't sin. God put His goodness or +R in my new nature. It is my new nature that allows me to live with God forever and ever!

GOD IS FOR US!

My old sin nature battles with my new spiritual nature. Only my old nature can sin. My new nature can't sin because it has God's goodness, His righteousness. God's goodness can't sin! When my body dies, my old sin nature will die. I will go to heaven in my new nature without my old sin nature. What a gift!

I'm a new person, a new spiritual species. The old nature is still with me and will be until the day I go to heaven. So, when I sin and go back to my old nature, all I have to do is rebound, tell God the Father my sins, and move on! God sees me in my new nature. What a merciful and loving God we have! Let's keep our eyes on the Lord Jesus Christ and think about spending forever with Him in heaven!
