

I'm Safe with God

God the Father has a plan for my life.
He had this plan billions of years ago! His
plan is the best, safe plan!

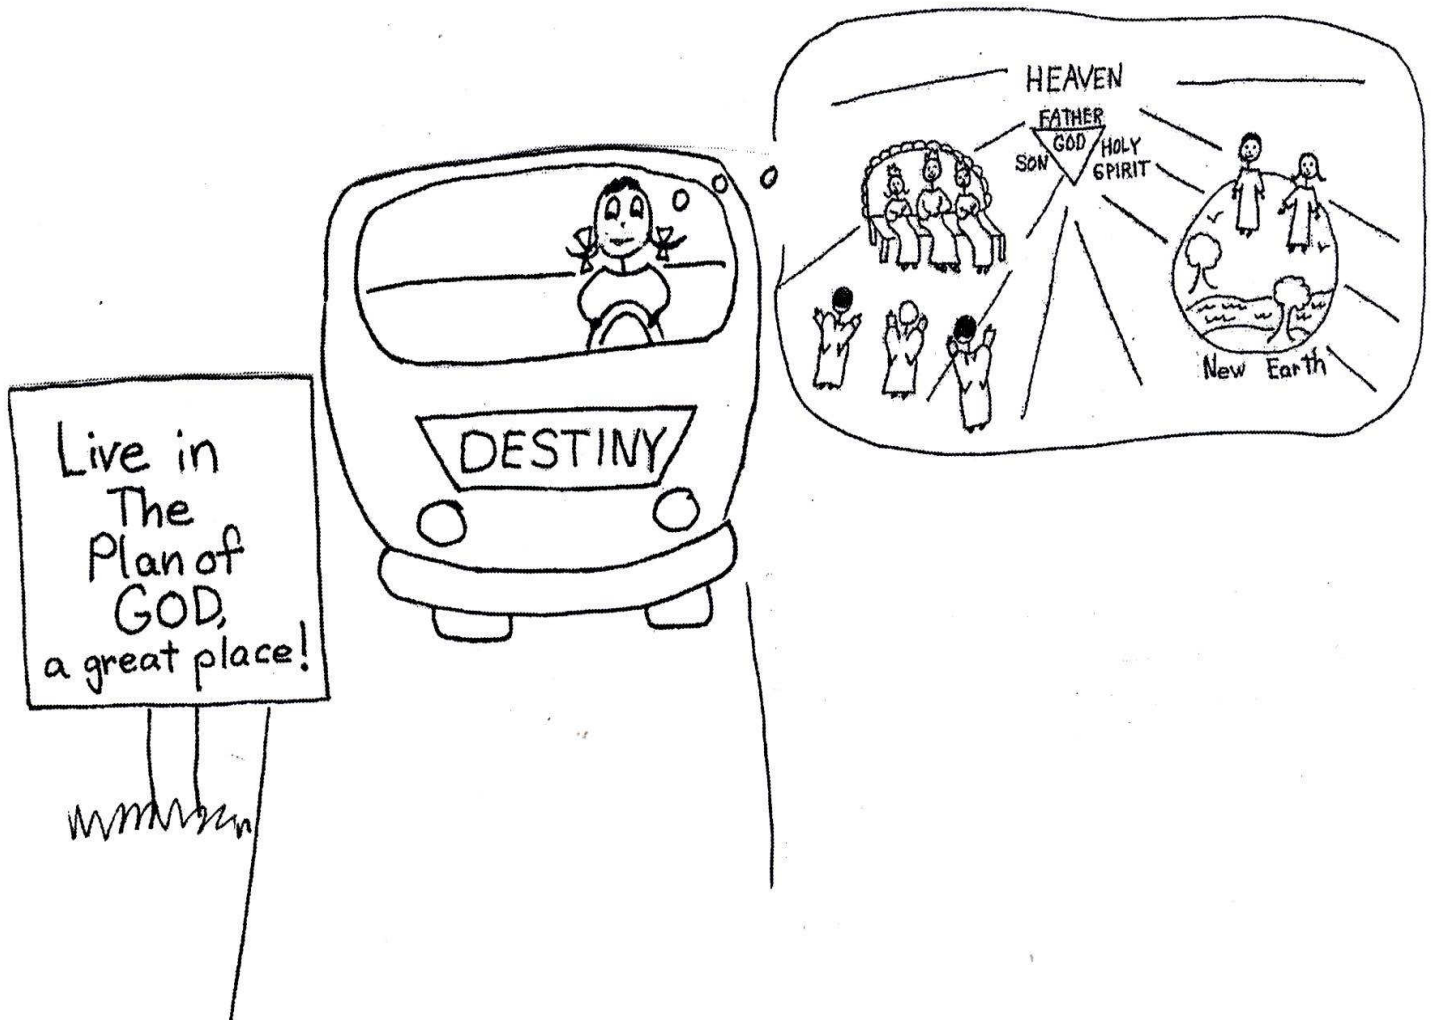

God the Son, Jesus Christ, created me so I could follow the plan of the Father. The first thing I have to do to be in this plan is to believe in the Lord Jesus Christ as my Savior! Then, **I'm safe in His plan! I'm saved!**

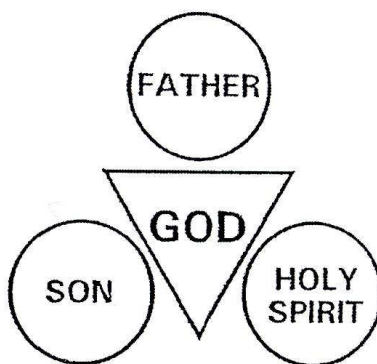

God the Holy Spirit gives me the power to live in the plan. He gives me His own super power! I get this when I am saved.

I am safe with God!

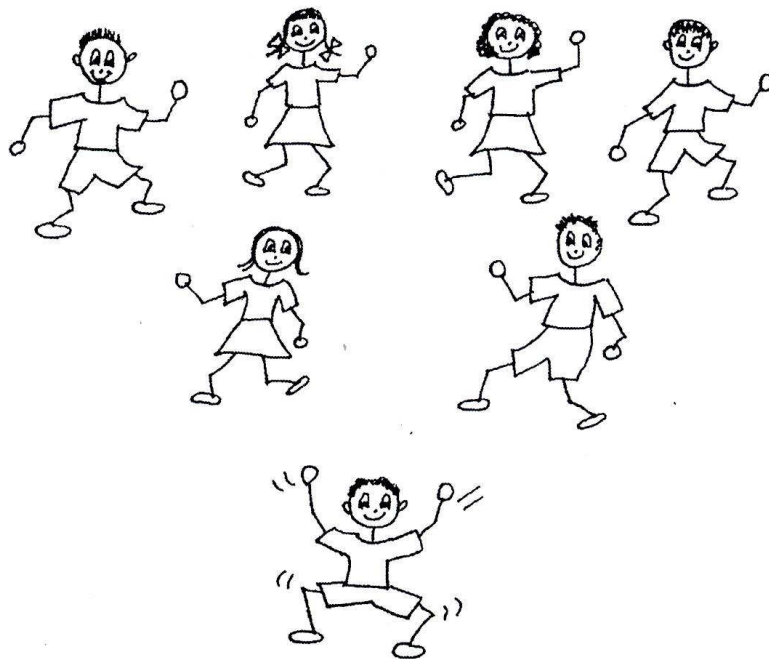

After salvation, God gives me more safety.
When I sin, He says I can rebound. This means
telling God the Father my sins. I am then
filled with the Holy Spirit again.

I'm safe with God!

GOD IS FOR US!

Once I believe in Jesus Christ as my Savior, I'm saved forever! My salvation keeps going on forever and ever! I never lose it!

I'm safe with God!
